Re: Transfer of Notice of Intention and Notice of File Closure, Small Mining Operations, Clarks Creek Quarry, S/003/039, Box Elder County, Utah

Dear Mr. Bown:

On July 14, 1999, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer the Clarks Creek Quarry small mining project located in section 14, T13N, R16W, Box Elder County, Utah from Rocktile Specialty Products, Inc. to Utah Building Stone Supply. The transfer form incorrectly showed the township as being T13S. We changed this township to read T13N prior to the Division signing and executing the document.

The Division signed and executed the transfer document on December 9, 1999, *which effectively transfers the responsibility of this mining operation and reclamation to you*. A copy of the transfer form is enclosed for your files. You are now the official party responsible for all mining and reclamation obligations for this project. By copy of this letter **the Division hereby officially releases Rocktile Specialty Products, Inc. from any further reclamation responsibilities at this site.**

The Clarks Creek Quarry small mining operation is absorbed by your Dove Creek Quarry large mining operation, file number M/003/016; therefore, ***we will close and retire file S/003/039 at this time.***

Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me or Lynn Kunzler at (801) 538-5286 or 538-5310 respectively.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
